Augusto Mota Pinheiro

Hey! My name is Augusto, I'm a general coding and tech enthusiast with a bunch of ideas 😁

Some of them are on my portfolio (augustopinheiro.ca), others in my mind and some have yet to come!

CONTACT ME

If you want more information: shoot me a message and I'll get back to you as soon as possible!

🌍 Montréal, QC H9E 0A4

RELEVANT EXPERIENCE

Full Stack Developer @ Kngfu
May 2021 -> Now

I developed an AR application to showcase historical sites around Montreal. Worked on 3D and 2D web experiences for Montreal's Oratory and other clients. Also pushed for deployment of Docker and helped its implementation for their backend.

Digital Lab Technician @ Collège Beaubois
Jan 2021 -> Jun 2022

I operated and maintained 3D printers as well as the laser cutter & engraver. I also came up with and organized innovative ideas for various school projects.

Lifeguard @ Edphy International
Summers of 2019 & 2020

I was a lifeguard at Edphy Beaubois, enforcing safety regulations and maintaining a fun pool experience. Also helped the other camp counselors where necessary.

HOBBIES

//Coding   //Swimming

//Games   //TV Series

//Reading   //Scouts

EDUCATION

Bachelor's in Computer Science (Co-op) with Economics
@ Concordia University
Sep 2021 -> Dec 2024

DEC in Interactive Media Arts
@ Dawson College
Sep 2019 -> May 2021

High School Diploma
@ Collège Beaubois
Sep 2014 -> June 2019
